

```
when green flag clicked
  hide
  loop forever
    if key pressed: space
      play sound: laser
      create clone of: myself
      wait 0.1 seconds
```

```
when I start as clone
  show
  go to: Rumskib
  loop until touches edge
    change y by 15
  delete this clone
```
